Moises Correa, CPA

Commercial Real Estate | Investment Professional | Finance Leader
Chicago, Illinois, United States

Summary

I am a driven and hard-working leader focused on building relationships and bringing properties up to their full potential across the Midwest. If you'd like to talk value-add multifamily real estate, partnership opportunities, or just want to connect, please reach out.

I am an experienced business consultant and investment professional and held prior roles at PwC and Twin Brook Capital Partners, the private credit arm of Angelo Gordon. I received a B.S. in Accountancy with Honors from the University of Illinois at Urbana-Champaign and I am a licensed CPA.

Outside of work, I enjoy taking road trips to new places, dog-sitting, and staying active.

Experience

Proximo Equity Group, LLC

Principal

May 2022 - Present (3 years 8 months)

Chicago, Illinois, United States

Proximo Equity Group, LLC is a private real estate investment firm focused on joint venture and syndicated multifamily real estate investments in the Chicagoland area and the Midwest. We help high-earning professionals and other investors build wealth through real estate. For more information, reach out to Moises Correa at moises@proximoequity.com.

Twin Brook Capital Partners

Assistant Vice President

February 2020 - November 2022 (2 years 10 months)

Chicago, Illinois, United States

Focused on the structuring, diligence, execution, and portfolio management of cash flow-based debt investments in lower middle-market companies ranging from \$40M - \$500M+ alongside private equity sponsors. Industry experience includes healthcare, technology, industrials, and business services.

PwC

Senior Consultant - Management Consulting

September 2016 - February 2020 (3 years 6 months)

Chicago, Illinois, United States

Completed 12 engagements ranging from M&A planning and execution to large-scale business transformations for both private equity-backed portfolio companies and large multi-national corporations. Project experience includes sales effectiveness, merger integration / carve-outs, legal entity restructuring, finance and supply chain optimization, working capital management, organizational design, and technology-enabled finance function transformations.

Education

University of Illinois at Urbana-Champaign

Bachelor of Science in Accountancy with Honors

WU (Vienna University of Economics and Business)
