Experience

世楷家具

Student Consultant

January 2024 - Present (2 years)

Ann Arbor, Michigan, United States

- Led data collection and analysis for non-GHG pollution and wastewater management across 20+ supplier factories, creating a centralized monitoring map for sustainability oversight.
- Enhanced CDP reporting quality by aligning disclosures with TNFD, NCP, and SBTs, increasing transparency and readiness for external assurance.
- Conducted Life Cycle Assessments using ISO 14040 standards to evaluate environmental impact and recommend reduction strategies.

Turia Technology

Sustainability Intern

June 2024 - August 2024 (3 months)

Loganville, Georgia, United States

- Analyzed climate disclosure data to secure CDP sustainability certification for Turia Technology.
- Collaborated cross-functionally to lead sustainability assessment, driving emission reductions and energy efficiency improvements.
- Developed reports supporting sustainability initiatives, optimizing electricity consumption by 20%.

Protrend Management Consulting Co., Ltd. (普羅管理顧問股份有限公司)

ESG Consultant

September 2020 - July 2023 (2 years 11 months)

Taiwan

- Analyzed economic indicators and current economic cycle placement.
- Translated and analyzed brokerage reports for insights.
- Developed an economic indicators database with Hang Seng University.
- Supported consulting projects with Taiwan SME Administration.

HSBC

KYC Associate

January 2020 - August 2020 (8 months)

Taiwan

- Maintained accurate and up-to-date tracking of assigned cases, ensuring timely updates.
- Escalated risks and issues to management for efficient onboarding as per KYC procedures.
